

Is God There? Habakkuk 3:1-15

The key question to ask: How can we be assured of God's presence?

I. Approach God in an attitude of worship. (verses 1-2a)

A. Adore God for who He is v. 2 "Lord, I have heard of your fame."

B. Praise God for what he has done. v.2 "I stand in awe of all your deeds."

II. Remember God's mighty deeds of the past. (verses 3-15)

A. A word of warning: God conquers all enemies in his path.

B. A word of comfort: God comes to deliver his people.

III. Ask God to renew his deeds in the present. (Verse 2)

A. Pray for personal and corporate revival

1/ Pray for revival in your own heart first. That God would give you an ever increasing faith in him and love for him and a burning desire for holiness and to see God glorified in all areas of your life.

2/ Pray for revival in the church and in the community, state and nation.

God has brought revival in the past. God can bring revival again.

B. Pray for God in his wrath to remember mercy

1/ The greatest example of God in wrath remembering mercy took place at the cross. He poured out his wrath against sin upon his own Son in order that he might show mercy to sinners who would put their faith in Christ.

IV. Conclusion:

Struggling with the same questions as Habakkuk did? "Does God care? Is God fair? Is God there?"

If so, we need to capture Habakkuk's vision of a God who has done great things for his people in the past and will do them again in the present.

Yes, God is there. He is the famous one!

Approach him in an attitude of worship.

Know that God will defeat his enemies and deliver his people.

Ask God to renew his deeds in our time.
